Invitation to become a Corporate Friend of the St Magnus Way

The St Magnus Way is a pilgrimage route or long distance footpath, mostly across the Orkney mainland, following the journey of Magnus’ body after his martyrdom to his final resting place. It goes from the isle of Egilsay to Kirkwall through places relevant to his life story. There is also a parallel cycle route.

Businesses are invited to support the maintenance and development of the way by becoming a corporate friend. The trustees try to use local businesses and contractors as much as possible. Corporate Friends of the St Magnus Way pay an annual subscription which is used by the trustees for essential work on maintaining and developing the long distance route, the website, the app and other running costs. By supporting us you will help to magnify the rich cultural heritage in our islands and support a worthwhile local project. Corporate Friends will also be acknowledged on our website, receive regular newsletters about the latest developments and will be invited to send up to four people to an annual members event on some aspect of the culture, traditions, history, environment or spirituality related to the pilgrimage route and/or a guided walk.

The annual subscription is based on the turnover of your business. Corporate members with a turnover of under £25000pa pay £30 per year and those with a turnover of over £25000pa pay £50 annually. These are minimum figures and we will be delighted if you wish to subscribe a larger amount.

Corporate Friends of the St Magnus Way Membership Form

Scottish charity no. SC047008 www.stmagnusway.com
