HELP THE NORTHERN PILGRIMS' WAY

Please fill out our short survey

- The Northern Pilgrims' Way (NPWG) are a small charity (SC049930) re-establishing the medieval pilgrimage route between St Duthac's Collegiate Church, Tain and St Magnus Cathedral, Kirkwall – a route rich in local history, spectacular coastal and moorland views, plant and animal life, not to mention the amazing Flow Country!
- We have all the essentials for the route in place, and we are considering employing a part-time Development Officer/Heritage Ranger.
- For this, we will need to do some serious fundraising and one step in that process is to assess public support for the project.
- To this end, we would be very grateful if you would help by filling in this short survey. Thank you!
